

The Australian Masters Championships (hosted by Rowing Queensland) saw the best of the best compete up in Queensland, at Lake Kawana from the 2nd – 5th June. NSW had a large presence at the regatta which saw some rough weather test athletes in each category throughout the 4 day regatta. We would like to congratulate all athletes, both from NSW and the other States who made the effort to attend the regatta and pushed through the wind and rain to compete! There were 4 NSW clubs in the top 10 clubs in the medal tally at the end of the regatta.

The NSW Masters Interstate Team had a successful regatta, with each crew getting onto the podium and collect a medal. We managed to get a bit of an insight as to how some of the athletes felt about their races!

The Interstate Women's Quad race was a hotly contested event! Out of the blocks you could tell it was going to be a close one, with the top three crews finishing within 2.8 seconds of each other! Krystine Maccready was ecstatic about the race and the performance of the girls saying how she was "so glad to have been able to row with these amazing women"! To the right is a photo of the crew on the podium collecting their medals (Supplied by Krystine).

A fantastic effort from the all CDRA crew, the NSW boys had a hard fought battle down the track alongside Victoria. Staying tough throughout the second half they managed to hold off the fast finishing Queensland crew to secure a solid Silver Medal! As always this is a great achievement in the interstate regatta.

Murray Doust was thrilled about the race itself and the performance of the crew:

"It was great fun to be racing with the other guys and to be rowing again for NSW after so many years out of it. Our start was fantastic, having a length on the other crews after 250m. At 500m I felt confident in holding our position but we went through a bit of a lull where Victoria started to come through us. It was a great fight to the end. We worked out after the race that it was probably only our 6th or 7th row together! We worked well as a team!"

The NSW Women's Eight had a solid race down the track, with a strong Queensland crew leading the way for the field. It was great to see the crew fight their way down the course and secure a solid Silver Medal, not an easy feat by any means. Congratulations to the crew for a fantastic regatta that saw a lot of the crew succeed individually in smaller boats when representing their clubs.

The NSW Men's crew were in the thick of the action all the way down the course. In what is always a hotly contested event, the crew fought hard for a great Bronze Medal, managing to hold off the ACT crew that were putting some intense pressure on towards the finish line.
