5. Policy relating to, and procedures for management of, grievances and alleged breaches of the LMRC Code of Conduct.

5.1. Policy - Definitions

5.1.1. For the purposes of this Code and Policy:

- 5.1.1.1. A grievance is a written or oral statement regarding a perceived unfairness, inequity, or wrong within the Club's activities, not necessarily amounting to a breach of the LMRC Code of Conduct. Examples include, but are not limited to, matters relating to interpersonal conflict; boat allocation; interpretation of Club rules, policy, and procedures. The grievances will usually involve some concern or personal distress and will usually, though not always, involve other people.
- 5.1.1.2. A breach of the LMRC Code of Conduct is as set out in 4. "LMRC Code of Conduct" (above).
- 5.1.1.3. A "serious matter" is a matter within the Club's activities involving allegations of substantial breaches of legal rights and allegations of criminal or quasi-criminal nature or any other matter that the Committee considers to be so serious as to deem it to be inappropriate for the Club to manage it. Examples include but are not limited to, incidents of violence to persons or property; serious bullying, harassment or discrimination; child protection related matters; serious maladministration, serious misconduct; fraud; or corruption.

5.2. Policy - Key Principles

- 5.2.1. The Club recognises that, viewed objectively, both grievances and alleged breaches of the LMRC Code of Conduct may involve differing degrees of seriousness.
- 5.2.2. The Club encourages early notification of grievances and alleged breaches of the LMRC Code of Conduct to ensure, so far as is possible, speedy, effective and satisfactory resolution at the lowest reasonable level of management and processes.
- 5.2.3. Grievances and alleged breaches of the LMRC Code of Conduct shall be managed promptly and in a way most appropriate to the particular circumstances.
- 5.2.4. Grievances and allegations of breaches of the LMRC Code of Conduct shall be managed with procedural fairness and in accordance with principles of natural justice. The Committee will work to protect the rights of all parties involved in the matter.

- 5.2.5. Until the provisions of Rule 11 of the rules of the Club may be invoked, the Committee or Committee member managing the matter shall do so as confidentially as is possible in the circumstances.
- 5.2.6. Serious matters as defined in 5.1 "Policy - Definitions" are not managed as grievances or alleged breaches of the LMRC Code of Conduct but are to be referred to the appropriate authorities or organisations for management.

5.3. Procedures for management of grievances and alleged breaches of the LMRC Code of Conduct.

- 5.3.1. There are three (3) levels of procedures available for the resolution of grievances and alleged breaches of the LMRC Code of Conduct. These levels and the provisions that apply to them are as follows:

5.3.1.1. Level 1

- 5.3.1.1.1. In the case of a grievance that, viewed objectively, would be reasonably regarded as being at a low level of seriousness, a member having a grievance is encouraged to resolve the matter of the grievance personally if that is at all possible.
- 5.3.1.1.2. If the member is uncomfortable about resolving the grievance personally, or believes that an attempt to do so is not appropriate or possible, or having tried to resolve the matter personally, has failed to resolve it, the member should follow the procedure available under Level 2 or Level 3.
- 5.3.1.1.3. The procedure under Level 1 is not to be followed in matters of alleged breach of the LMRC Code of Conduct which may only be dealt with under the Level 2 or 3 procedure.

5.3.1.2. Level 2

- 5.3.1.2.1. A member wishing to raise a grievance or report an alleged breach of the LMRC Code of Conduct may notify a Committee member verbally.
- 5.3.1.2.2. That Committee member should be the Committee member within whose range of day to day responsibilities the main subject matter of the notification falls in accordance with the Club's rules, unless the notification is against that committee member or involves him/her in a material way.
- 5.3.1.2.3. That Committee member shall inform himself or herself as much as is reasonably possible as to the subject matter of the notification and then:
- a) recommend that the member try to resolve the matter under Level 1 if it is a grievance that, viewed objectively, would be regarded as at a low level of seriousness; or
 - b) make a ruling on the grievance or alleged breach of the LMRC Code of Conduct; or
 - c) arrange some appropriate form of mediation between the parties involved in the notification with a view to resolving the matter; or
 - d) refer the notification to the full Committee of the Club to be dealt with under the Level 3 procedure.
- 5.3.1.2.4. Any member involved in the subject matter of the notification who is aggrieved by a decision of the Committee member under 5.3.1.2.3 above may, within 14 days of being notified of that decision (which time may be extended by the full Committee, retrospectively if deemed appropriate), by writing or email refer the matter to the full Committee to be dealt with under Level 3 procedure.

5.3.1.3. Level 3

- 5.3.1.3.1. A member wishing to raise a grievance or report an alleged breach of the LMRC Code of Conduct may notify the Committee of the Club by email or in other writing sent or delivered to the Secretary.
- 5.3.1.3.2. Upon receipt of the notification the Committee will inform itself as much as is reasonably possible as to the subject matter of the notification using whatever means the Committee deems appropriate. In particular the Committee will advise any person against whom the subject matter of the notification is made of the notification and give that person the opportunity to provide the Committee with information regarding the subject of the notification.
- 5.3.1.3.3. The Committee may then either:
- a) Determine that there is no reasonable basis on which to proceed further with the matter and notify all parties accordingly; or
 - b) Attempt to resolve the matter by any form of dispute resolution such as mediation or facilitation which to the Committee seems reasonable in the circumstance and may make appropriate findings at the conclusion of this process; or
 - c) Determine that the matter is an appropriate case to be dealt with under Rule 11 of the rules of the Club, treating the notification as a complaint under Rule 11.
- 5.3.1.3.4. If the Committee makes a determination as in 5.3.1.3.3 (c) the Committee will apply the provisions of Rule 11, including in particular sub-rules 11, (2) (a), (b), and (c), notwithstanding that the Committee may previously have given the members concerned the opportunity to provide the Committee with information regarding the subject matter of the notification / complaint.
- 5.3.1.3.5. Rule 12 of the rules of the Club applies to any resolution of the Committee under Rule 11(3).

6. Related Procedures

- 6.1. Disputes between members that the Committee determines to have no bearing on the activities of the Club and membership will be resolved externally at the member's own cost as provided by Rule 10 of the rules of the Club.
- 6.2. A determination by the Committee to the above effect is final and binding on the members concerned.
