Sponsorship Opportunities

Corporate sponsorship opportunities with Lake Macquarie Rowing Club

Lake Macquarie Rowing Club (LMRC) has provided a vibrant community-based rowing club for over 28 years, operating all year round from our Club house at First Street, Booragul, next to the Art Gallery and Awaba House. LMRC attracts a diverse membership; school children, seniors and masters rowers and enjoys great success at the local level, with many of our rowers also successfully competing at State, National, and International levels. We are proud winners of the 2012, 2013 and 2014 Central Districts Rowing Association Point-score Championships. Our social members also enjoy the fitness and camaraderie, and our local dolphin family on many early morning rows.

LMRC is self-funded by membership contributions and fundraising activities but in order to facilitate our increasing membership and achieve our goals we are looking to the community and the business sector for financial support.
